Don't Get Caught Without Your SLO - SLOs (Student Learning Objectives) are due on October 8, 2018. Principals have the discretion to give teachers an extension on that deadline. Unless you have received an extension, it is **very** important that you turn in something. Submit your best effort to complete the SLO on or before that date! If you were given an extension, get it in writing. CFT strongly recommends that teachers take advantage of the help provided by the district SLO Trainers.
