Subject: Honoring Our Veterans this Weekend...Weekly Updates Inside

From: Cincinnati Federation of Teachers/CFOP

Veterans Day, formerly known as Armistice Day, was originally set as a U.S. legal holiday to honor the end of World War I, which officially took place on November 11, 1918. In legislation that was passed in 1938, November 11 was "dedicated to the cause of world peace and to be hereafter celebrated and known as 'Armistice Day.'" As such, this new legal holiday honored World War I veterans. In 1954, after having been through both World War II and the Korean War, the 83rd U.S. Congress -- at the urging of the veterans service organizations -- amended the Act of 1938 by striking out the word "Armistice" and inserting the word "Veterans." With the approval of this legislation on June 1, 1954, Nov. 11 became a day to honor American veterans of all

wars. <https://www.military.com/veterans-day/history-of-veterans-day.html>

The difference between Veterans Day and Memorial Day

[Memorial Day](#) honors service members who died in service to their country or as a result of injuries incurred during battle. Deceased veterans are also remembered on Veterans Day but the day is set aside to thank and honor living veterans who served honorably in the military - in wartime or peacetime.

CFT/CFOP would like to thank all of our Veterans and their families for their service and sacrifice.
